ABB Power Generation Day 2008

Monday 20 October, 2008

Nikko Hotel Kuala Lumpur, Malaysia

Power and productivity for a better world

ABB has the pleasure of inviting you to the Power Generation Day during the POWER-GEN Asia at Junior Ballroom, Nikko Hotel Kuala Lumpur.

We will start off by bringing you with the latest information on trends for power and automation technology in the region while offering a platform for discussion and networking.

The day will continue with a tour to the world's finest pewter company, Royal Selangor, with 100 years of pioneering past, followed by hands-on experience at the 'School of Hard Knocks'. You can create your own pewter dish using traditional tools and methods.

The ABB Power Generation Day will continue into the evening with a relaxing and cozy gala dinner at an exclusive location that has a phenomenal rooftop view of the Kuala Lumpur skyline.

Do join us at this special event for an unforgettable experience.
