Personal Invitation

ABB Power Generation Days
6 October 2009
Bangkok, Thailand

Welcome to Power and Automation Technology from ABB

Experience the latest ABB innovations for power plant control and electrical systems and join us at the ABB Power Generation Day 2009 which will take place in conjunction with Power-Gen Asia 2009, Asia's leading power generation conference and exhibition.

In order to meet today's and future challenges in power generation, a continuous exchange of experience and a close co-operation among suppliers and users is essential for innovations to meet the customer needs.

It is with great pleasure to invite you to the ABB Power Generation Day 2009, a platform where you can share experiences with other experts in your industry and get the latest information on ABB's direction in automation and power systems.

The day will continue with a visit to Thai Summit Group factory and a factory tour with showcase of ABB's robotic install base.

The ABB Power Generation Day will continue in the evening with an exclusive Gala Dinner Cruise where you can experience a touch of world class dining along Chao Phraya, the "blood vessel" which runs through the heart of Thailand.

Do join us at this special and exciting event for an unforgettable experience and find out how ABB can be your reliable partner and at the same time add value to your business

Tuesday, 6th October

ABB Power Generation Day Agenda

Event Venue:-

Millennium Hilton Bangkok

Conference

11:30 h – 12:00 h	Arrival of Guests & Welcome Cocktail
12:00 h – 1:00 h	Lunch Reception
1:10 h – 1:10 h	Welcome Speech
1:10 h – 1:40 h	Guest presentation (Deputy Governor of Electricity Generating Authority of Thailand – EGAT)
1:40 h – 2:10 h	ABB in power generation
2:10 h – 2:40 h	Meeting the operational challenges of tomorrow's plants – benefits from ABB's technology
2:40 h – 3:10 h	Networking & coffee break
3:10 h – 4:00 h	Transfer to VIP Event

On Display

- Electrical solutions for all types of power plant
- System 800xA for total plant integration and optimization
- Drives and motor for increased energy efficiency
- Total solutions for complete water lifecycle
- Flexible excitation solutions for all industrial applications

VIP Event - Visit to Thai Summit Auto Parts Ltd

4:00 h – 5:30 h	VIP Event
5:30 h – 6:45 h	Transfer to Millennium Hilton Hotel

Gala Dinner - Cruise

7:00 h – 10:00 h	Gala Dinner – Cruise along Chao Phraya

ABB Highlights at Power-Gen Asia 2009

The Power-Gen Asia 2009 will take place at IMPACT Exhibition and Convention Centre, Bangkok, Thailand. You will find ABB in **Hall 8 at Stand D15**.

Renewable Power Generation

- Photovoltaic and solar-thermal plants
- Hydro power plants

Electrical Products and Systems

- Gas Insulated Switchgear
- Electrical Balance of Plant (eBoP)
- Drives and excitation systems

System 800xA for Power Generation

- IEC 61850 and Profibus integration
- Advanced alarm and information management
- Process visualization

Power Plant Simulation and Optimization

- New training simulator concepts
- Unit and grid control in grids with large renewable generation
- Engineering, commissioning and optimization support

Integrated Multi-domain Engineering and Documentation

- Engineering Integration Platform EIP

Instrumentation for the Power Industry

- Instrumentation and actuators

Total Solution for the Water Industry

- Plant automation, electrification and optimization
- Network and asset management
- Turnkey pumping station
